STANDING ORDER NO.15 / 2018-CUS.TECH

Sub: Provisions of the Customs Act, 1962 relating to coastal goods and vessels carrying coastal goods – Carriage of coastal cargo from one Indian Port to another port in vessels carrying out coastal runs - Regarding.

* * * * *

Attention of all the Customs Officers of Hqrs.Office, CPC, Vijayawada and the Officers working in field formations i.e., Krishnapatnam Custom House, ICD Marripalem, Kakinada Custom House, Customs Divisions, CFSs and Customs Preventive Units, is invited to Notification No.56/2016-Customs (NT) dated 27.04.2016 & 57/2016-Customs (NT) and Circular No.14/2016-Customs, all dated 27.04.2016 of Central Board of Indirect Taxes and Customs, New Delhi.

2. Government vide notification No. 43/97-cus dated 11.9.1997 has exempted vessels carrying exclusively coastal goods from the provisions of section 92, section 93, section 94, section 97 and sub-section (1) of the section 98 of the said Act. Further vide notification No. 15/98-Cus dated 27.2.1998 vessels carrying exclusively coastal goods have been exempted from the delivery of the advice book on arrival at each port of call to the proper officer.

3. Further vide Circular No.40/97-Cus dated 19.9.1997, Board had clarified that the relaxations are applicable to the vessels which exclusively carry coastal goods and ply as coastal vessels. It will not be applicable for vessels which convert the status from foreign run to coastal run and vice versa. The loading and unloading operation by coastal vessels must take place at separate and exclusive berths in the ports where both coastal and foreign traffic is handled. The provisions of Sections 95, 96 and 98(2) will also remain operative in case of such vessels. In terms of Section 95, the master of vessels is required to maintain "advice book" and the proper officer of customs can inspect the book and make entries as deems fit, relating to goods loaded at the port.

4. Subsequent to above, references have been received in the Board to the effect that the present procedure governing the movement of coastal goods is restrictive. It was opined that there is a need to relax the procedure further so as to facilitate faster movement of the coastal goods. This will bring down the transaction cost and also give fillip to the

developmental activities in the coastal cities. Further, Ministry of Shipping has also informed that the cabotage restrictions have been relaxed to encourage movement of coastal goods. Vessels like RoRo (Roll on Roll off), PCC (Pure Car Carriers), Pure Car and Truck Carriers (PCTC), LNG vessels, Over-Dimensional Cargo or Project Cargo carriers etc are covered under the new relaxed policy guidelines for a period of five years i.e. up to 1st September 2020.

5. The issue had been examined by the Board and the procedure was simplified in Circular No.14/2016-Cus, dt.27.04.2016 as under:

a. All Coastal Vessels carrying exclusively coastal goods and operating from coastal or EXIM berths shall be exempted from the provisions of Section 92, 93, 94, 95, 97 and sub-section (1) of section 98 of the Customs Act, 1962. The exemption from the provisions of section 95 was not available earlier. A notification No. 56/2016-Cus (N.T.) dated the 27th April 2016 has been issued in this regard.

b. (i) In the case of coastal vessels loading or unloading coastal goods at EXIM berths, provisions of sections 30 & 41 of the Customs Act, 1962 have been made applicable. 7. In the case of cabotage covered foreign vessels, the relaxation shall be co-terminous with the said order of the Ministry of Shipping.

There shall be no examination of the coastal goods, the container **shall be sealed with tamper proof one time bottle seal** and then the same can be loaded on to the vessel.
