

SQM – 3.2.1.4	Remit drawback
Revision No.1	
Revision Date 27.07.2010	Page 1 of 1

Process owner: Assitant/Deputy Commissioner or other person

Norm: Remit drawback within 7 working days of either filing of manifest in the case of electronic processing of declarations or filing of a paper claim in the case of manual processing

Resource required: AC/DC, Supdt, Inspector

With ICES drawbacks are processed online. In other places a manual drawback claim is filed. For the purpose of monitoring, a record in prescribed format shall be maintained by the process owner. If possible to capture the record data from ICES reports, such a record can be maintained online and printed at time of audit check or monitoring by process owner.
